

Strategic Planning

**Ensure focus is
on the right
actions.**

Strategy Management Partners

MAKING STRATEGY HAPPEN

**Strategy
formulation and
timely execution
demands a
seamless and
dynamic process.**

**The process
embeds focus,
alignment and
agility in the
organisation’s DNA.**

Planning is a process of detailing out the actions to be taken. This articulates and schedules the 'HOW' (actions) to achieve the ambition of the strategy.

**STRATEGIC
PLANNING:
Ensure focus is
on the right
actions for
your strategy.**
